

**Be a member of P.W.D.A.**

**What we will give you**

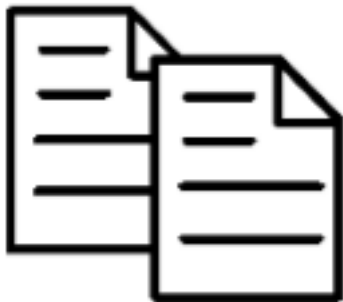

We will give you

- our newsletter
- tell you about things we say

– on TV

– in newspapers

You can come to things. We have:

- meetings
- fun things.

Governments and businesses need our help.

They ask us because we have a disability.

You can join groups to talk about things.

Like a group talks about buses and trains.

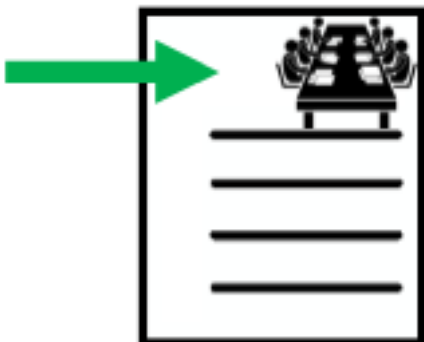

We will tell you things that may affect us.

Like any changes to

- laws
- government help

**or**

- the NDIS.

Any member can help run our group.

Ask us for our rules.

This is based on information in the People with Disability website.
