

## Our dreams

We want all of us to

- have the same chances as every one
- be part of all our communities
- be able to talk to each other
- move in and out and around

– buildings

– places.

We want every one to know people with disability

- have rights
- are part of the community.

We want every one to know we

- are all different
- can do things
- can learn new things.

We come in all shapes and sizes.

We need every one to

- respect us
- see us
- be proud of who we are.

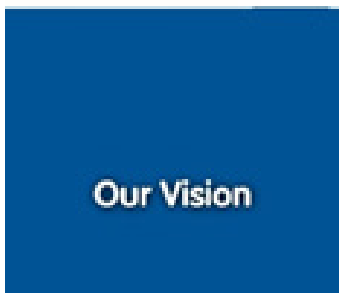

We have used images from

- Inspired Services
- Picto - Selector.

This is based on information in the People with Disability website.
