

Disability Advocacy Futures Program

We can support students with disability and their family to

- Get the right disability supports at NSW public schools
- Know what your rights are
- Fix problems with your school
- Find other services to support you.

Our **advocates** can give you free and safe support.

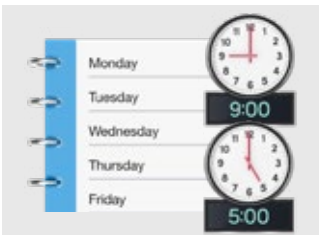

Advocates are workers who can support you to get your rights.

We can help if you are a student with disability and live in

- Southeast Sydney
- Southwest Sydney
- Central Sydney.

We are open Monday to Friday from 9 am to 5 pm.
