

Disability Advocacy Futures Program

We can help if you have a problem with different services.

This means services like

- Housing
- Police
- Education
- Mental health.

We can

- Tell you about your rights

- Work with you to fix your problem

- Support you to get help from other services.

Our **advocates** can give you free and safe support.

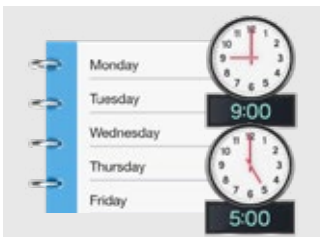

Advocates are workers who can support you to get your rights.

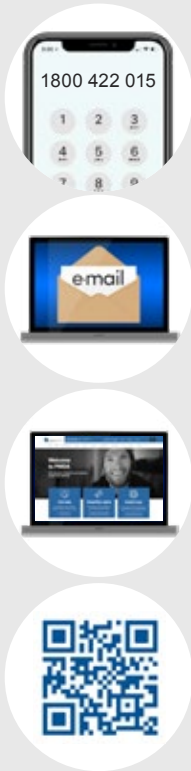

We can help if you have a disability and live in

- Southeast Sydney
- Southwest Sydney
- Central Sydney.

We are open Monday to Friday from 9 am to 5 pm.

If you want our help you can
